for Cisco Systems

Hewlett-Packard Third-Party Options and Cisco Systems Help You Complete the Solution

E&I members can take advantage of significant savings on Cisco Systems networking components and SMARTnet™ services through Hewlett-Packard's 3rd Party Solutions. As global market leaders, HP and Cisco leverage each other's strengths to deliver customized, best-in-class, fully-integrated solutions, infrastructure offerings and lifecycle services to address the changing and growing needs of your campus.

Contract Highlights

- **Competitively awarded** – amendment to E&I's national HP Public Sector contract **EANDI-2006** for computer hardware, software, peripherals, services and 3rd party options
- Highly discounted pricing on Cisco hardware, software and SMARTnet™
- **Free ground shipping** in the contiguous United States
- Simple quoting and ordering process, with no special sign-up requirements
- HP and Cisco strategic global alliance provides end-to-end networking solutions
- Order fulfillment through HP, a Cisco Gold Certified Partner, with over 1600 engineers holding more than 5000 Cisco certifications

Cisco hardware, software and service offerings are used to create the Internet solutions that make networks possible. Since the company's inception, Cisco has been the leader in the development of Internet Protocol (IP) based networking technologies. This tradition of innovation continues today with industry-leading routing and switching products, advanced technologies and networking solutions.

For quotes and order placement, contact HP directly at 800-888-3224, extension 14286. Be sure to mention that you are an E&I member and reference **Contract Number EANDI-2006**.

For additional contract information, contact your local E&I Member Service Representative or Phil Goldman, Portfolio Support Executive, at 800-283-2634 ext. 347 or pgoldman@eandi.org.
